Dear Ms Hodgson

Right to Information Request 17 February 2022

I refer to your request pursuant to the *Right to Information Act 2009 (Tas)* ("**RTI Act**") received on 17 February 2022 by Hydro Tasmania.

I am authorised to make decisions on behalf of Hydro Tasmania in respect of applications for information under the RTI Act.

1. Your Request

Your request sought the following information '*any documents relating to the Crown Land Licence for the Heemskirk Wind Farm project ("**Licence**") including a copy of the licence and any associated correspondence or assessment documents relating to the issue of the licence*' (referred to in the body of this letter as "the Request").

2. Determination

- 2.1. I have determined that a copy of the Licence may be released to you. Please find a copy of the Licence marked as 'Annexure A'.
- 2.2. With the assistance of our Information Management team and the Assets and Infrastructure team, I have undertaken a search of the information held by Hydro Tasmania and its subsidiaries to locate any correspondence or assessment documents relating to the issue of the Licence and unfortunately our searches have not turned up anything of relevance.

3. Review of Rights

You are entitled under Section 43 of the RTI Act to apply for a review of the decision.

Any request for such a review should be made in writing within twenty (20) working days of receiving this letter and addressed to:
